

## ICHLL 5 – CALL FOR PAPERS

Papers are now invited for the fifth International Conference for Historical Lexicography and Lexicology, to be held at St Anne's College Oxford 16-18 June 2010. Plenary speakers will be Michael Adams ('World War II, Anglo-American Lexicography, and the Dictionary of American English'), Ulrike Hass ('In search of the European dimension of lexicography') and John Simpson ('OED3 in the making'). The conference will mark the tenth anniversary of *OED Online*, i.e. the major revision of the *OED* currently underway in Oxford. Papers relating to dictionaries and dictionary-making are particularly welcome, but as with past conferences we hope to attract papers on a broad range of topics in lexicography and lexicology.

Abstracts (no more than 300 words) should be sent to [ichll@herald.ox.ac.uk](mailto:ichll@herald.ox.ac.uk) by 30 November 2009.

More information will be posted on the conference website, <http://www.english.ox.ac.uk/ichll2010/>, in due course.
